

Texas CattleWomen Central Market Social

Friday, April 8th ~ 4:00 - 6:00 p.m.

*Are you ready for our second annual
Central Market Social?*

The Central Market Cooking School chefs have prepared a fun demonstration class and tasting menu designed exclusively for Texas CattleWomen. They will demonstrate the preparation of several beef appetizers perfect for enticing AND exciting consumers about beef. They will also explain the selection of wine pairings for the recipes. We've had a sneak peek at the menu and are really excited. We hope you are, too!

Central Market is located at **4651 West Freeway, Fort Worth, TX, 76107**, less than 10 minutes from the Convention Center. Transportation is not provided from the Convention Center to Central Market. From the Convention Center, head west on I-30 and take Exit 10 for Hulen Street. Turn left onto Hulen. Central Market will be on your right after you cross the overpass.

Our event is scheduled from 4:00 - 6:00 p.m.

To ensure an on-time start and plenty of time for demonstration, please plan to arrive a few minutes early for check-in and seating.
