

Texas CattleWomen 2016 Spring Meeting

Thank you for registering for the 2015 Texas CattleWomen Spring Meeting in Fort Worth. This is going to be a great meeting and I am so glad you plan to be a part of it!

The agenda for all activities is included below. Most events will take place in the Fort Worth Convention Center. You will notice that many activities listed on our agenda are a part of the TSCRA schedule. We have chosen to work our agenda around many of the TSCRA events that are in-line with our organization goals and objectives. I hope you will take advantage of the chance to participate in these sessions, as each presents outstanding speakers and discussion topics. Your TCW registration will allow you to participate in the highlighted activities. Please be aware that any event marked with an asterisk (*) requires additional TSCRA registration or ticketing. Registration is still possible onsite at the TSCRA registration booth.

As always, Texas CattleWomen will have a booth in the Cattle Raisers Expo. Our booth is #937. We plan to make the most of this presence to engage with potential new members and industry partners. We will also be selling our new t-shirts. We still need additional volunteers to help staff the booth on Friday afternoon and Saturday morning.

It's going to be a terrific weekend in Cowtown, and I look forward to seeing you all there!
