

CALL FOR NOMINATIONS
Texas CattleWoman of the Year
Nominations are due by October 1st

CattleWomen, this note is not a "done" for money nor a solicitation for a big commitment of time, but it is an important request that will yield big benefits. We are seeking nominations for Texas CattleWoman of the Year 2016.

Please take a moment to ponder the person in your chapter who is always there, who always knows about the agricultural issues, who inspires others to be better CattleWomen. You may need to throw this around with some fellow members, but do not delay. The honor will be awarded on October 22 at our convention in Bryan, Texas. Things need to be done before that to make the award extra special so get on the stick. Guidelines for the nomination are attached.

This nomination process and award can be an excellent opportunity to bond and energize your local chapter. Please do not delay. If you think your person is worthy, go for it. We love willing women. If you need clarification or if I can help in any way, do not hesitate to contact me at any time.

Beef and Liberty,

Terry Gray Chandler

Castroville, Texas
