THE CATTLEWOMEN CREED

Believing that the livestock industry is of basic importance to world existence, we, the Texas CattleWomen, dedicate ourselves to support it with our labor and finances; to promote it through information and publicity; to encourage its producers with our understanding and love, to do all in our power to install in the coming generation the love of the land and of life, the humility and awe before Nature, and the hope and faith in the future that is inherent in cattlemen and cattlegwomen.

Texas Cattlewomen

Where women protect their industry, work toward solutions of beef cattle problems, inform consumers of the importance of the industry and of the contributions it makes to the economy of the nation.

Join Texas CattleWomen

Joining gives a woman the opportunity to bond herself to a unique group of women dedicated to the BEEF industry who share your hopes and faith in the future.

Why be a Texas Cattlewoman?

The number of people involved in the cattle business continues to shrink each year. Thus it is most imperative that each of our voices be heard locally and nationally as part of a united group to promote the beef industry. Our check-off dollars are helping tremendously in the purchase of materials to spread our message to schools, supermarkets, medical offices, etc., but more CattleWomen are needed for the placement of these materials.

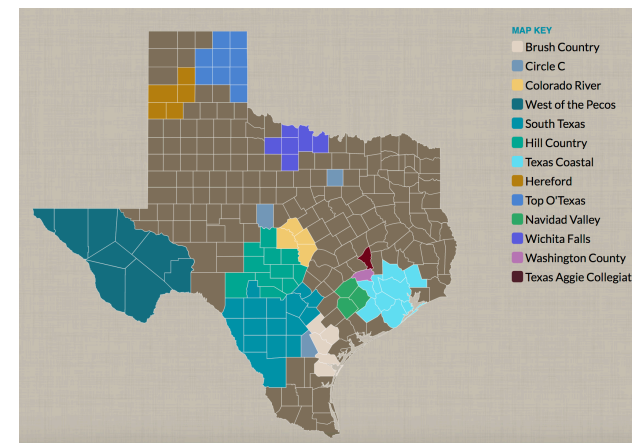

There is a need for leaders as well as for those who choose to work quietly and effectively behind the scenes. CattleWomen share a common passion for the Beef Industry. We share friendships and support each other during challenges and successes that involvement in the Beef Industry presents. We are ranchers, teachers, industry affiliates and more. Owning cattle is not a requirement - Sharing the passion is. There is a place for everyone and you can make the difference. Come join us!

Complete the membership form on the backside of this brochure and mail it to the address shown. Texas CattleWomen state dues are \$25: plus local dues set by each individual local organization. Collegiate membership is available to students at \$12.50 as well as Junior membership for advocates under 18 years of age at \$10. We will be happy to assist you in contacting the local in your area.

Information

Periodic electronic e-news are sent to each member to keep the organization informed on all the timely events and issues of importance to cattlemen and the BEEF Industry.

Our website is www.txcattlewomen.org. If you have any questions, please feel free to contact us at txcattlewomen@gmail.com. We are on Facebook @TXCattleWomen and you can keep up with us on our blog at trailsandtales.blog

Local Chapters

The Texas CattleWomen, Inc.'s organization consists of local organizations that function not only for the needs of State and National goals, but also for the needs of their own communities. There are locals with as few as 5-10 members and some with well over a hundred. There is no set number to organize or continue a group. It is the work and cooperation of the members that counts. Women without access to an organized local group may join CattleWomen as a member-at-large (paying state dues only).
